The Information Disclosure Statement submitted herewith is being filed either (1) within three months of the filing date of the application, (2) within three months of the date of entry into the national stage of an international application, or (3) before the mailing date of a first Office Action on the merits. No representation is intended that the cited documents represent the results of a complete search. It is anticipated that the Examiner in the normal course of examination will make an independent search, determine the best prior art consistent with applicable laws, rules and regulations, and review for relevance every document cited by Applicant.

It is respectfully requested that the Examiner indicate consideration of the cited references by returning a copy of the attached Form with initials or other appropriate marks.

No fees are due with this Information Disclosure Statement. However, please charge any fees required or credit any excess fees paid during the entire pendency of this Application to Deposit Account No. 502957.
